- 2 understanding of maybe the questions that we're asking or
- 3 anything that's going on?
 - A. No.

4

- Q. Okay. Well, with that in mind, I'm going to start
- 6 off. Can you give your full name, please.
- 7 A. Sure. Debra Liebel. It's D-E-B-R-A L-I-E-B-E-L.
- 8 Q. Are you currently married?
- 9 A. No.
- 10 Q. You're not? Okay. You are employed with the
- 11 County at this point?
- 12 A. No, I am not.
- 13 Q. Where are you employed, then?
- 14 A. I'm retired.
- 15 Q. When was your last employment?
- 16 A. June 29th, I believe it was. It was a Friday.
- 17 July 29th.
- 18 Q. Of 2005, right?
- 19 A. Yes.
- 20 Q. And who was your last employer?
- 21 A. The County of Erie.
- 22 Q. And what was your position at the County of Erie
- 23 at that time?
- 24 A. Executive director of the Office of Children and
- 25 Youth,

- 1 how long? And starting when, roughly?
 - A. If I go back -- I was employed by the County for

Page 8

- 34 years, so this is a little --
 - Q. Okay.
- A. I began in administration in 1989.
 - Q. With the Office of Children and Youth.
- 7 A. Yes.

25

- 8 Q. All right. Out of those 23 years, how many of
- 9 those years were with the Office of Children and Youth?
 - A. 34.
 - Q. All 34?
- 12 A. Um-hum.
- Q. At any point during that tenure were you also --
- 14 did you also hold the position of either a case aide or a
- 15 supervisor?
 - A. Prior to '89, I was a supervisor for 13 years.
- 17 Q. Okay. And, now, going back to July 29th of 2005,
- 18 I believe you indicated that you had retired from that --
- 19 A. Yes.
 - Q. -- position?
- 21 A. Yes.
- 22 Q. And as we sit here now, you have no other job
- 23 prospects? Or is there anything lined up, in other words,
- 24 that you're going to be getting into?
 - A. Well, I'm actually enjoying myself in retirement,

Page 7

- 1 Q. Okay. How long were you at that position?
 - A. Since -- it was January of 2002 through July of
- 3 2005.

2

- 4 Q. Who hired you then for the -- in January 2002?
 - A. I was appointed by Rick Schenker, the current --
- 6 the then County Executive.
- 7 Q. Prior to that, were you employed at the County?
- 8 A. Yes.
- 9 Q. And what was your position at the County prior to
- 10 that?
- 11 A. Assistant director of the Office of Children and
- 12 Youth.
- 13 Q. How long did you have that position?
- 14 A. One year.
- 15 Q. So that takes us back to 2001, correct?
- 16 A. Correct
- 17 Q. And then before that, you were employed at the
- 18 County of Erie as well?
- 19 A. Yes.
- 20 Q. Was that with the Office of Children and Youth?
- 21 A. Yes.
- Q. And what was your position there?
- 23 A. I was an administrator.
- Q. So that we, I guess, have a time line here, you
- 25 were administrator with the Office of Children and Youth for

- Page 9 but I'm also looking to do some consultant work eventually.
- 2 Q. Okay. There is no other position with the County
- 3 that you're anticipating getting into as we sit here today,
- 4 then?

5

12

21

25

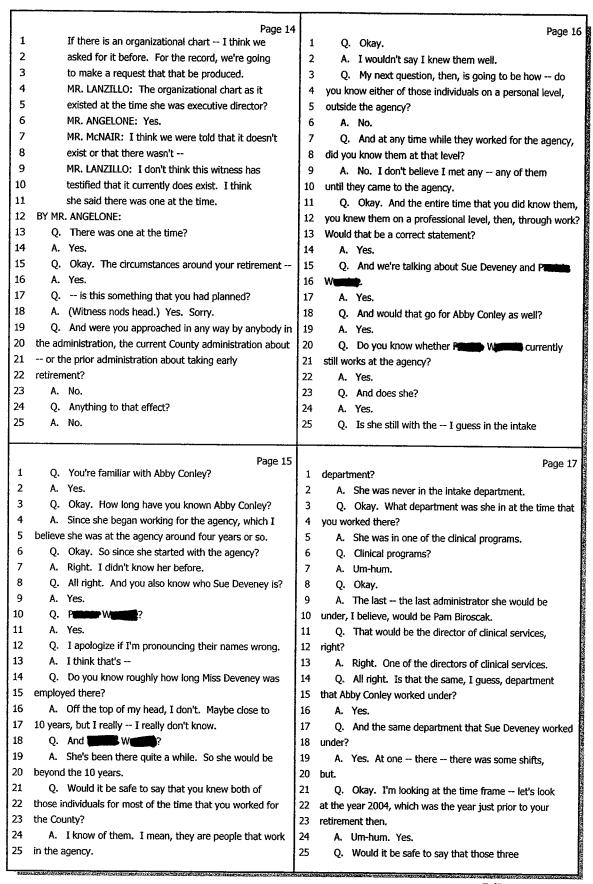

- A. No.
- Q. As director with the Office of Children and Youth,
- 7 can you give us a little idea of some of the responsibility
- 8 and duties that are involved with that position.
- 9 A. Yes. Basically the Office of Children and Youth
- 10 has three areas for which I was responsible.
- 11 Q. Okay.
 - A. Which was the child welfare program, the daycare
- 13 program, and the Edmund L. Thomas Center.
- 14 Q. For the child welfare program, what type of
- 15 oversight did you have?
- 16 A. It was a broader oversight, because there are --
- 17 there is an assistant director over the child welfare
- 18 program that primarily has responsibility for that. Or was
- 19 when I was there.
- 20 Q. Okay.
 - A. And there is administrators of record for the
- 22 various programs. And supervisors.
- Q. So you would be the top person, I guess you would say, in that in that program. Right?
 - A. Well, now I'm going to ask you -- I am not sure

| 6 | A. Yes. | 5 | A. Robin Adams. |
| 7 | | 6 | Q. And am I correct, is there five administrators, |
| 8 | Q. Okay. | 7 | then, under the assistant director? I don't want to |
| 1 | MR. McNAIR: There is? | 8 | misquote you. I thought that's what you said. |

| 11 12 | A. There should be it should be, but it would | 11 | A. But and I would have to figure that out as we |
| 13 | reflect the current administration; how that's set up. | 12 | go through programs here. But because there are some |
| 14 | Q. Okay. When you were there in 1995, July 29th, | 13 | administrators that aren't in the child welfare program, |
| 15 | 1995, the last time you were there — A. 2005. | 14 | that are in the other programs, um-hum. |
| | | 15 | Q. I guess I'm just sticking with the child welfare |

| ŀ | | 17 | A. Okay. Okay. That's fine. Do you want me to go |
| 18 | Q. At that point in time there was some type of an | 18 | through the administrators? I'm sorry. I'm sorry. I |

| 20 | A. Yes. | 20 | Q. No. Just sticking with the child welfare |
| 21 | Q. Now, your position as director of OCY as of | 21 | A. There would be a director of foster care services. |
| 22 | July 29th, 2005 and before, if I understand correctly, in | 22 | And that, when I left, was Case Kase. |
| 23 | the child welfare program, there's someone underneath you. | 23 | Q. Okay. |
| 24 | A. That's correct. | 24 | A. There would be a director of court services, |
| 25 | Q. And that position would be called? | 25 | slash, also had some clinical units, and that would be B |

| 1 | A. The assistant director or the director of | 1 | Page 13 |

| 5 | A. Would be administrators over the functions and | 5 | Q. Okay. |

| 8 | Q. Where would, for example, the positions of, for | 8 | responsibilities. Char Kolupski. |
| 9 | example, the supervisors for investigating child abuse | 9 | Q. Okay. |
| 10 | claims fall? | 10 | A. I think that's and then the Mike Cauley, the |
| 11 | A. That would well, that would fall in our intake | 11 | attorney, reported to me also, and Colleen Locke, the |
| 12 | department and would also fall under the child welfare | 12 | assistant director, reported to me. |
| 13 | program. And there would be an administrator of the intake | 13 | Q. The intake department, is that called director of |
| 14 | area and then the assistant director, as well as four | 14 | intake then? Would that be the position |
| 15 | supervisors, I believe, in the intake area. | 15 | A. Yes. And she has some other responsibilities; |
| 16 | Q. So, in other words, there's the assistant | 16 | policy development and whatever. |
| 17 | director, then there's administrators underneath that. | 17 | Q. Okay. Who would that be? |
| 18 | A. Right. | 18 | A. Robin Adams, |
| 19 | Q. Correct? | 19 | Q. That's Robin Adams, okay. I thought Robin Adams |
| 20 | A. Correct. | 20 | was the administrator. |
| 21 | Q. And under one of the administrators would be the | 21 | A. No. Robin Adams is the director of intake. |
| 22 | intake department. | 22 | Colleen Locke is the assistant administrator. Or was. She |
| 23 | A. Exactly. | 23 | also retired. |
| 24 | Q. So so that intake department has its own | 24 | Q. I got you. Okay. |

MR. ANGELONE: I'm going to just make a request.

- 1 individuals were in that department?
- 2 A. Yes
- 3 Q. Okay. Where is your office located in relation to
- 4 this department?
- A. My -- my office is on the fourth floor. And the
- 6 staff is on the second and third floors.
- Q. So when you say "staff", you mean individuals like
- 8 Abby Conley and Sue Deveney and Miss Water.
- 9 A. Yes.
- 10 Q. The administrators, those directors, are they also
- 11 on the fourth floor?
- A. No. The administrators are down on the second and
- 13 third floor, depending on who it is.
- 14 Q. Okay. Would it be safe to say that they would be
- 15 on the same floor as the staff of their departments, or no?
- 16 A. In some cases, yes. In other cases, they may not
- 17 be. Of all their staff.
- 18 Q. How about Pam -- is it Pam Biroscak?
- 19 A. I I don't remember if she was on the same floor
- 20 with the supervisor and with Abby. 'I can't remember.
- Q. Okay. I'm going to go back now to 2004. Okay?
- 22 A. Um-hum.
- 23 Q. At some point during the year 2004, were you
- 24 approached by someone regarding alleged misconduct by Abby

- A. Shara Saveikis would have been, I believe, the
- 3 first person to express some concerns.
- 4 Q. Okay. Do you remember when; what time frame in 5 2004?

Page 20

- A. Sometime in either -- probably early July.
 - Q. Early July of 2004?
 - A. Um-hum. I just want to state that this is also to
- the best of my recollection, um-hum.
 - Q. That's fine.
 - A. Um-hum.
- 12 Q. By the way, did you have an opportunity to review
- 13 some of this prior to coming today, as far as notes or
- 14 anything in order to help refresh your recollection?
- A. I didn't actually have a lot of things that were
- 16 home with me, because now that I'm not an employee of --
 - Q. That's fine.
 - A. Um-hum,
- 19 Q. Let me ask you this: In early July of 2004, then,
- 20 is it Shara Saveikis that initiated a call to you, or did
- 21 you initiate a call to her?
 - She initiated a call to me.
- 23 Q. From Pittsburgh?
- 24 A. Yes.
- Q. Can you tell us a little bit about what it is she

Page 19

- A. Yes.
 - Q. Can you tell us who the first person was that
- 3 approached you about that.
 - A. I'm just trying to get the -- there were -- I'm
- 5 just trying to get this in my head before I respond to you.
 - Q. Okay
 - A. I believe the first person that may have
- 8 expressed -- that expressed some concerns to me was the
- 9 western region representative.
- 10 Q. And what is a western region representative?
- 11 A. Western region is the Department of Public
- 12 Welfare. And the Department of Public Welfare oversees the
- 13 child welfare programs. And you are assigned to a region.
- 14 And those regional officers come in periodically to do
- 15 audits, to handle complaints, and also to conduct agent
- 16 abuse allegations.
- 17 Q. Okay. And where is the western region, I guess,
- 18 office?
- 19 A. In Pittsburgh.
- Q. And who would that person have been, that western
- 21 region representative that you're talking about?
- A. Shara Saveikis. And I might not have that name
- 23 correct; the last name.
- 24 Q. So from your recollection, this is the first you
- 25 had heard about some alleged misconduct. It would have been

- Page 21
- said or what her concerns were at that time.
- 2 A. She called, and I believe she also had her
 - supervisor, John Austin --
 - Q. On the phone?
 - A. On the phone.
- 6 Q. So it was a conference call, you believe?
 - A. Yes.
- 8 O. Okav.
- 9 A. And she indicated that she had been in the office
- 10 and had spoken with Miss Conley about a situation that had
- 11 occurred. And in doing so, she was very concerned about
- 12 Miss Conley and her demeanor. She indicated that she --
- 13 throughout the time that she spoke with her -- and I
- 14 honestly can't remember what -- how long that was; an hour,
- 15 two hours, whatever it was -- that there were a lot of
- 16 different emotions expressed going from crying to laughing.
- 17 You know, just a lot of different kinds of things that were
- 18 going on as she was talking to her. And that she was
- 19 concerned for her and wanted us, you know, to be aware that
- 20 she had -- that she had concerns about her emotional state.
- 21 Q. Okay. These concerns sound more like, from what
- 22 you're describing, concerns about Miss Conley's emotional
- 23 state, as you described it.
- 24 A. Right.

25

Q. Were there any inferences or any specifics with

- Q. Sure. What is that?
- 2 A. The fact that if -- the fact that confidentiality
- 3 under the state law is in several places, including the CPSL
- and regulations regarding, you know, releasing the names or
- any identifying information or any kind of information
- related to these individuals. And that I do feel very much 6
- 7 a part of, you know, under that -- under that law. And
- 8 there is penalties for that.
- Q. Okay. What we're going to do is try to substitute 9 10 initials for the identities of all these individuals.
- 11 A. Um-hum

- 12 Q. If at any point you feel somehow uncomfortable or
- 13 have a question about how to respond to an answer (sic) with
- 14 respect to the identity of any of these individuals, you can
- ask Attorney Lanzillo or Attorney Joyal. I have no problem 15
- 16 with that. Okay?
- 17 A. Okay.
- 18 Q. I'm trying to pick up where we left off here a
- 19 while ago. I think some -- my last question to you was
- 20 going to be, was that individual, P.W., and that would be
- the individual that was accused of grabbing a child's face. 21
- 22 A. Yes.
- Q. And did Miss Saveikis, during her investigation --23
- 24 at any point during her investigation or conversations that
- you had with her, tell you who had reported that incident?

- A. I believe so.
- Q. Did you, during your discussion with
- Miss Saveikis, ask her, for example, how long she
- interviewed these individuals?
 - A. No.
- 7 Q. You don't have any knowledge as far as how long
- the actual interview process took, then?
- 10 Q. Was this the only conference call you had with
- 11 Miss Saveikis in 2004?
- 12 A. No.
- 13 Q. Do you know how many times you did talk with her
- 14 on the phone in 2004?
 - A. One -- I believe one other time.
- 16 Q. During this conversation in early July of 2004,
- did she indicate to you that the allegations were unfounded? 17
 - A. I don't recall.
- Q. Okay. So as of the time of that discussion, do 19
- 20 you know whether her investigation was complete or not?
- She had she had completed the interviews. 21
- 22 Whether or not she had done what she needed to do
- 23 paperworkwise or supervisorwise at western region, I'm
- 24 not -- I'm not clear on that at all.
 - Q. It was your understanding that she at least

Page 27

- A. No. And under the law, she cannot.
 - Do you have any knowledge as to when that was
- 3 reported to the western region?
 - A. I believe the report came through Child Line,
- 5 which is fine. And it was sometime -- maybe the third week
- 6 in June.

- 7 Q. Okay.
- 8 A. Because then she was at the end of June.
- Q. All right. She actually came up to the Office of
- 10 Children and Youth at the end of June?
 - A. Yes.
- 12 Q. Did she come alone, or did she come with her
- 13 supervisor?
 - A. That, I don't know. I -- I believe she was alone.
- Q. Okay. Did she at any point interview or discuss 15
- 16 this matter with you while she was up there?
- 17 A. No.
- 18 Q. Do you know who it was that she interviewed while
- 19 she was up here?
 - A. Abby, P.W.
 - Q. Okay. Anyone else that you know of?
- 22 A. She observed, I believe, the child in her actions.
- 23 Q. Would that be the initials D.B.?
- 24 A. Yeah, I think so.
- 25 Q. Was she only up here for one day, that you know

- Page 29 completed her interviews as of that discussion in early July
- of 2004. 2
- 3 A. Yes.
- 4 Q. The concerns that she expressed during her
- conversation with you in early July, 2004, did they lead you
- 6 to do -- or take any steps?
- 7 A. Yes.
- 8 Q. What was the first thing that you did, then?
 - A. I talked with the assistant director.
- 10 Q. Who would that have been?
- A. Colleen Locke. 11
- 12 Q. Okay.
- 13 A. And just made her aware of the conversation. And
- 14 suggested that if - if there was anything that we could
- do if someone would talk to Abby, and if there was 15
- anything we could do to assist her, there were -- if the
- concerns were valid and if there was anything we could do to 17 18 assist her.
- 19 Q. Okay. And so what you told Colleen Locke was that 20 you were concerned about Abby's emotional status?
 - A. I told -- I -- I relayed the conversation,
- 22 probably, you know, in a summary kind of thing to -- to
- Colleen, just -- just to make her aware that the call had --23
- 24 had come in and that there was some concerns expressed. And
- 25 I thought that that was something that perhaps she and the

And also, I believe, by that time, in regards to P.W., there 3 Q. Part of the reason that we're here today is were some allegations that clients in that P.W. case were because there's been some allegations of misconduct against indicating that they had information -- personal information 5 Miss Conley that have been made during the year 2004. Okay? about P.W.; that they were aware and had facts around the 6 A. Right. alleged incident with P.W. that they wouldn't have had from Q. What I guess I'm trying to decipher is whether or anyone in a formal capacity as of yet. 8 not during this conversation with Shara Savelkis in early Q. Okay. Let me ask you this: Going back to the 9 2004 revealed to you any type of mis - anything that you expressed concerns of confidentiality and e-mails being 10 would deem as misconduct on Miss Conley's part. sent, did you get into the details of that with 10 A. Not at that point. That wasn't the purpose of the 11 11 Miss Aligeier at that time? 12 call. 12 A. No. Not at -- not at that time. I know that she 13 Q. Okay. At some point, though, during the year 13 had been - had spoken to the supervisor and --2004 ---14 14 Q. And who would that have been? 15 A. Um-hum. 15 A. Sue Deveney. 16 Q. - someone, I'm assuming, approached you and told Q. Okay. 16 you that there was some type of misconduct or alleged 17 17 A. And that she and P were, you know, concerned 18 misconduct on Miss Conley's part. Would that be correct? about that, because of certain information that -- that may 18 19 19 have been -- may have been given. Certain information that 20 Q. So it wasn't from Miss Saveikis, if I understand was out there that they were -- that they were concerned 20 21 correctly. 21 about. 22 A. Right. Q. Okay. And I guess in your capacity as director, 22 Q. Who would have brought forth to your attention any when something - an allegation like this comes to you, 23 type of alleged misconduct? aren't you -- or did you in this case delve into some of the A. It would have been from Attorney Allgeier and

 2
        Q. Okay. Do you know which one approached you and

     told you first?

        A. I think it would be Attorney Allgeier.
        Q. Do you recall where you were when this

        A. No. But usually I would have people come into my

        Q. Okay. You don't specifically remember if this one

    took place in your office, though.

12

13
        A. It would have been in July; mid to late July.
14
        Q. Mid to late July?
15
        A. Yeah, I would think.
16
        O. It would have been after this discussion with
17
    Shara Saveikis, I assume.
18
        A. Yes.
19
        Q. And can you tell me, what specifically were some
20
    of the concerns expressed by Attorney Allgeier?
21
        A. Attorney Allgeier had expressed that -- some
    concerns about confidentiality; that there was some concerns
22
23
    that Abby was e-mailing a former employee.
24
        Q. Okay.
25
        A. And that there may have been, you know, some case
```

25 specifics, like what are you talking about? You know, did you try to extract that information from Miss Allgeier? 1 2 A. Yes. I mean, there -- but there were -- it's hard for me to remember exactly in that situation, you know, what 3 occurred, because the next element -- all of this was happening very quickly in the month of July. It seemed like 6 July was a time when -7 Q. Okay. 8 A. -- I was getting concurrent concerns from various 9 individuals. 10 Q. Okay. 11 A. Okay? So which then led up to an action later on. Q. Do you know what confidential information was 12 13 alleged to have been disseminated by Miss Conley that Miss 14 Allgeier was talking about? 15 A. At that particular time, again, it was around the P.W. situation, and it was around, I believe, the attorney 16 17 for the V.W. case, you know, needing to know what the 18 address might be of D.C. None of us knew that. But the 19 attorney seemed to have gotten that. 20 Q. You're talking about V.W.'s attorney? 21 A. Yes. I don't know who she is. 22 Q. Okay. Are we talking about an address or a phone 23 number here?

A. This is an address for Deanna Cosby.

Q. So your understanding as of the time of this

24

25

9 (Pages 30 to 33)

Page 34 Page 36 discussion with Attorney Allgeier was that the confidential this information -- that knew this information about the 2 information that was given had to do with the address of face-grabbing incident; is that right? A. Family members and, I believe, extended family 4 A. Um-hum. And there was -- and there was some 4 members 5 suspect there in that, so. 5 Q. And extended family members. 6 Q. And is that also what they are talking about -- or 6 A. Um-hum. what Attorney Allgeier was talking about when she made 7 7 Q. Okay. Now, when you learned of this from Attorney 8 reference to the e-mail? I mean, was it the e-mail that Allgeier, then, what was the next step? supposedly gave this information out through the e-mail 9 A. The next step, was concurrently with that, other 10 system? 10 things started coming in. 11 A. Right, Right, 11 Q. Which other thing? 12 Q. Was there any other aspects of -- I don't know; I 12 A. Other concerns related to confidentiality. guess alleged misconduct that was discussed at that time 13 13 Q. Okay. Are we talking about the month of July? 14 with Attorney Allgeier? 14 A. Yes. 15 A. Not at that time, no. 15 Q. What other concerns? 16 Q. Then you also made reference to the -- let's see. 16 A. The next concern that was --17 the P.W. case; that some clients said that they knew stuff 17 Q. And if I can interrupt you. Can you give them to about this. When you make reference to clients, do you mean 18 me in the order that they actually came to your attention. 18 19 some of the family members --19 I can try, but – 20 A. Yes. 20 Q. Okay. 21 Q. -- involved in the V.W. case? 21 A. – unfortunately, because of the short time frame 22 22 they were coming in --23 Q. You don't mean clients outside of that family. I 23 Q. Okay. 24 mean, other clients from other cases. That's not what A. - and some of them were pretty -- you know, were 24 you're talking about. pretty concurrent or whatever. Page 35 Page 37 1 1 Q. Fair enough. Go ahead. 2 Q. And to the best of your recollection or knowledge, A. So I will -- I will try -- you know, I'll try to 2 3 did anyone talk -- or ask these clients where they got this do that. I think the next situation was the fact that Mike information from? Cauley had brought to my attention -- Attorney Mike Cauley, 5 A. That, I don't know. I don't recall -- I should 5 from the Office of Children and Youth, who was representing 6 say I don't recall. the C. case. And his concern at that time was that in a 7 Q. So all you knew is that there was some concerns court hearing where Abby was testifying - was one of the that the clients or family members within the V.W. case knew testifiers, that there appeared to be a document, an 8 9 about this incident involving P.W. 9 unauthorized document that was in the hands of, I believe, MR. LANZILLO: Objection to form. Go ahead. 10 10 an attorney for a parent. 11 MR. McNAIR: What is your objection to the form? 11 Q. Okay. 12 MR. LANZILLO: It mischaracterizes the earlier 12 A. And that reference was made to that document, and 13 testimony. She said she did not recall, no one at the office knew that the other attorney had that 13 14 (Discussion held off the record.) 14 document. 15 (The record was read back by the reporter.) 15 Q. Okay. What other facts? I mean, that's one of 16 MR. LANZILLO: My recollection - previously she 16 them. I think you said there were several facts that were 17 was asked a similar, related question, and she brought out during this time concurrently. You just 17 18 said she did not recall, indicating that there may 18 mentioned one. Was there another one or more? have been other information available to her at 19 19 A. Um-hum, right. At that point, I think -- let me 20 the time. 20 make sure I have this right now. Also at that point there MR. - 6 A. So they talked with me about the idea -- the
- 7 seriousness of this and of -- the potential seriousness and
- 8 asked if they could access the e-mails from Miss Conley.
 - Q. Who asked you for that permission?
- 10 A. When we -- when there was a meeting held -- I
- think it would be with Cathy Allgeier and Mike Cauley, 11
- 12 Colleen Locke, and myself. At that time I thought that it
- 13 was -- it was important that we bring the County into this.
- 14 Q. Okay. I'm going to backtrack a little bit. I
- 15 just want to cover a couple of things; some of the answers
- 16 you gave. You mentioned the C. case. There was a court
- 17 hearing.

22

- 18 A. Um-hum.
- 19 Q. And it was brought to your attention by Attorney
- 20 Cauley something to the effect that there was an
- 21 unauthorized document, I think is what you called it -
 - A. Right.
- 23 Q. -- that was brought out in court.
- 24 A. Right.
- 25 Q. During this discussion with Attorney Cauley, did

- this information. You don't know --
 - A. I don't recall whether he had asked that or not.
 - Q. Okay. You then indicated that there was a
 - meeting -- I think you said with Miss Locke, yourself, and
 - Attorney Allgeier and Cauley at some point, right?
 - A. Right.
 - Q. And that would be is it safe to say that that
 - would be after Attorney Cauley first came to you?
 - A. Yes.
 - Q. And who coordinated this meeting?
- 11 A. I think it would be me. I just said, we need to
- meet. As we were -- and at that meeting was when we -- we 12
- 13 moved forward to the County.
- Q. All right. When you say you moved forward to the 14
- 15 County, did you contact someone specifically in the County
- 16 to discuss this situation?
 - A. I asked that John Onorato be consulted.
- 18 Q. Who is John Onorato at this time?
- 19 A. John Onorato was the County solicitor at that
- 20 time.
- 21 Q. So was he made part of this meeting, or no?
 - A. Not a part of this meeting.
- 23 Q. And during this meeting, if I understand
- 24 correctly, then, this meeting would have happened after that
- particular hearing, correct?

Page 39

- 1 you discuss what Attorney Cauley did to investigate further
- 2 to see what the source was of that information?
- A. I believe he indicated that Attorney Villella was
- discussing that document in the courtroom. I don't I
- 5 don't know if we discussed at that time any further
- 6 investigation of that,
- Q. Attorney Villella is the parents' attorney that
- 8 vou referred to --
- A. One of the parents. I can't remember which one he 9
- 10 was there for, but one of the parents.
- 11 Q. Am I correct that he allegedly had an unauthorized
- 12 document during the court proceedings? Would that be
- 13
- 14 He was asking questions from a document that had
- not gone out as part of the protocol that we utilized 15
- 16 through the court staff to attorneys and the Court and
- 17 whatever.
- 18 Q. Was it your understanding, then, that Attorney
- 19 Villella had this document in his possession?
- 20 At that time Mike was saying he was referring to a
- 21 document -- Attorney Cauley was saying he was referring to a
- 22 document. Whether that was meaning that he actually had the
- 23 document or not.
- 24 Q. Okay. And you don't know whether Attorney Cauley
- 25 asked Attorney Villella where he got the document or got

- 1 A. After the --
 - O. The C. hearing.
- 3 Α. Yes.
- Q. My notes indicate the C. hearing was July 28th,
- 5 2004. It was towards the end of July.
 - A. Um-hum.
 - Q. You have no reason to dispute that, right?
- 8 A. Right.
 - Q. Could we be looking at early August, then?
- 10 A. Right.
- 11 Q. You don't know the date, though.
- A. I believe it was around August 2nd. 12
- 13 Q. Okay. Fair enough. You had a meeting. And as of
 - the time of this meeting, what were all of the concerns that
- 15 were addressed with respect to alleged misconduct during
- 16 that meeting?
- 17 A. When we talked, the main focus was that they --
- they needed -- they wanted to access e-mails, which I felt 18
- 19 was appropriate under these circumstances of the
- 20 confidentiality, but I would not do so because the County
- 21 has a computer policy, and because they wanted to take a
- 22 serious action like that, I wanted to consult the County.
- 23 And so that's when I directed that John Onorato needs to be
- talked to, to see if we can -- you know, to see if that's 24
- even a feasible thing to do at that time.

- 4 Q. Okay. Go ahead.
 - A. I didn't have a discussion with Sue Deveney, but I

- 7 I issued something to her as a result of getting some
- information about the confidentiality issues around P.W. I 8
- 9 asked her through another administrator if she would talk to
- Abby and indicate to her that if this was going on, she 10
- 11 needed to be reminded of confidentiality of this situation.
- because it fell under the CPSL, and that if -- if it was, in 12
- 13 fact, true, and it continued, that further action could be
- taken, because we couldn't tolerate that kind of breach of 14
- 15 confidentiality.
- 16 Q. I'm sorry; did it have to do with P.W. or V.W.?
- 17 A. Had to do at that particular time with P.W.
- Q. What prompted you to do this directive? What 18
- specifically then prompted you to do that type of directive 19
- 20 to Sue Deveney?
- 21 A. I believe it was an e-mail that was sent to me.
- 22 Q. From who?

 - A. Be, yeah, mid -- mid to -- mid July sometime.
 - Q. Okay. This e-mail that you got from the Union
- steward, what were the specific concerns?
- A. The specific concerns that I remember was that a
- father in prison had specific information about the
- allegation that some things were being said about --
- personal things about P and her personal life that were not true. But even if they had been true, it would not be
 - something that should be being discussed with a client.
 - Q. The father in prison, would that be the father
- 12 of --

10

- A. D.B.
- 14 Q. D.B.
 - A. Um-hum.
- Q. And was one of the concerns expressed by the 16
- 17 father the grabbing incident?
 - A. Right.
- 19 Q. Okay. During the course of these things being
- reported to you in July and August of 2004, did you take --
- 21 or keep any notes at work about this stuff?
 - A. I may have written down things here and there, but
- 23 I don't -- I don't recall,
- 24 Q. Okay. If you did, would they still be in the
- 25 County's possession, or would you have taken them with you

Page 51

- Q. What were the concerns or the contents of the
- 2 e-mail that brought this to your attention?
- 3 A. Again, around these -- these client issues that
- are -- I'm sorry, the P.W. issues, in terms of talking about 4
- 5 the alleged incident, two clients; that it was creating
- havoc downstairs of people concerned about the personal 7 information that was going out allegedly by Abby. And that
- at this particular time they understood that I could not or 8
- 9 would not speak to anything that was being done or going on,
- but they had hoped that that would be taken care of. 10 11
- Q. Okay. And I guess my next question is how would 12
- it even get to the Union steward, or how would it have been 13
- brought to the Union steward's attention, if you know?
- 14 A. I don't know, but I would -- well, I guess I think
- 15 I do. From the e-mail, it would be P.W.
- Q. All right. From your understanding, then, it's 16
- 17 P.W. that talked to the Union steward, and then the Union
- 18 steward e-mailed you.
- 19 A. Yes.
- 20 Would that be the chain of how that might have
- 21 happened?

25

- 22 A. Um-hum. And keep in mind, this is all while all
- 23 this other was going on.
- 24 (Discussion held off the record.)
 - Q. And this, if I understand correctly, would be

- 1 when you retired?
 - A. I would have -- those would have probably gone
- with me, because they wouldn't be a part of anything you
- know, wouldn't be a part of the personnel record or anything
- 5 like that.
- Q. And as we sit here, do you know if you have any of 6
 - those types of notes or records?
- 8 A. I don't know that I have any notes of -- of
- 9 what - of what has gone on.
- 10 Q. Okay. Let me ask you this: The things that you
- 11 took with you when you did retire --
- 12 A. Um-hum.
- 13 Q. -- you didn't destroy anything up to this point,
- 14 did you?

16

- 15 A. No.
 - Q. Do you have them in storage somewhere or at home
- 17 or something?
- 18 A. Right.
- 19 Q. So you might have some, you just don't know?
- 20 Would that be correct?
- 21 A. I might -- I don't know that I have any -- that I
- have any notes. The one thing that -- that may -- anything 22
- 23 that contained clients' names and things like that, I would
- 24 have been really cautious about taking with me.
 - Q. So then going back to where we are in this time

Document 59-9 Page 54 line, I think Mr. Granger now is retrieving e-mails that had A. They were selected by Attorney Cauley as a result 2 to do with Miss Conley prior to, I guess, August of 2004. 2 of specific direction of looking if there was a breach of 3 Would that be right? confidentiality. 4 A. Right. 4 Q. Based on that meeting, what happened? 5 Q. Okay. How long did that take? Do you know, A. As that was happening, Mr. Cauley was going, you 6 roughly? know, through the e-mails or whatever, he and I -- I talked 7 A. A few days. with him at one point, and then we met with those 8 And when he completed that, did he then come to individuals and discussed the outcome of what he had found. you, or is it my understanding he went to Attorney Cauley? 9 And what he had learned and was verified in the e-mails was 10 A. He went to Attorney Cauley. that Abby Conley had, in fact, e-mailed Deanna Cosby and had 11 Q. Then after that, did Attorney Cauley come to you? talked about the case of V.W. And at one point indicated to 12 A. Yes. 12 her that there was a prognostic detention order that was in 13 Q. Do you know when that would have been? effect at all of the hospitals, and that V.W. was not aware 13 14 A. We got back together probably mid August. 15 Q. And what was -- who was in that meeting? 15 A. That would be -- I believe the same people. Would 16 17 be like myself, Colleen Locke, Mike Cauley, Cathy Aligeier. 17 18 Q. And what was discussed at that meeting then? 18 19 A. Well, at that time, then, Mike was putting 19 20 together a report for -- for John Onorato. 20

14 of that. And in that, Deanna Cosby replied that she -- she will be aware. And Abby said something like, bless you, or 16 thank God, and Deanna Cosby said something back like, what do you mean, and she said, because you said she will. And that was extremely, extremely concerning to me. At that time I -- I can't tell you the -- how I felt in terms of -- that that type of breach of confidentiality that would put -- place a child in risk would occur by a person that worked at our office that was entrusted to protect children. Q. Did you actually -- you actually reviewed the 25 e-mail yourself then?

Q. Are you aware of whether or not V.W. knew of the

existence of that order prior to the time of that e-mail?

        Q. Was Mr. Granger there at that meeting?
        A. No. Mr. Granger's only role was to obtain those
 2
 3
    e-mails. He was not to be a part of any of that.
        Q. The e-mails that were retrieved by Mr. Cauley --
 5
    or, I'm sorry, by Mr. Granger, would it be safe to say they
    were reviewed by Mr. Cauley, if you know?
 7
        A. Yes, they were.
        Q. Was he the only one that reviewed all of these
 8
9
    e-mails, as far as you know?
        A. He reviewed them and did a report. And I also
10
11
    looked through some of them. And I believe with his report
    that went to John Onorato, the e-mails were attached. Or
12
    pertinent e-mails. I don't know if a whole -- the whole
13
14
    thing went to them, or pertinent e-mails.
15
        Q. Okay. As far as you know, for example, the

    e-mails that were retrieved by Mr. Granger -

Q. - were not given to you entirely.

Q. I mean, you don't know if you actually saw all the

e-mails that were retrieved by Mr. Granger; is that right?

A. I may not have seen them all. I saw a good

portion of them, um-hum.

selected by Attorney Cauley?

A. Of what he learned in looking at these e-mails and

if, in fact, there was any breach of confidentiality that

could be verified within the e-mails. And at that -- at

that time what was verified was extremely disturbing.

A. That she was - the order or the e-mail? She was aware of the e-mail. Q. The order. A. The order. It would be highly unlikely she would be aware of a prognostic detention order, because of the nature of what they are. Q. Was that term, prognostic detention order, 11 specifically used in that e-mail? A. I can't recall if she used detention order or 13 prognostic detention order, but she said that it was at the hospitals and that [P.] -- [P.] had had these orders put out. Which technically was true, but. Q. Were there any other e-mails that were discussed during that meeting? A. Was -- it was mostly around -- and the idea that, you know, case information was -- was going back and forth between this third party that was not a party to the situation, nor by law or by agency policy should have had this information. Q. And this third party would be Deanna Cosby? A. Yes. Q. She's a former employee; is that correct?

- 3 A. Yes and no. As an oversight body of us, if
- 4 they -- you know, if they have some concerns about how
- someone's conducting themselves in the workplace or if
- there's concerns about, you know, their emotional state or 6
- 7 whatever, they may - you know, they may share that in a
- 8 very informal way. This -- you know, again, you know, I
- don't know that this was meant to be a formal document, but 9
- 10 they may - it doesn't mean that they would have impact on
- 11 that or that they would presume to say, you know, that this

 - A. Yes.
- 9 Q. Okay. And she also interviewed Miss Conley?
 - A. Yes.
- 11 Q. Do you know that?
 - A. Yes.
- 13 Q. Do you have any idea why she would interview
- Miss Conley if the allegation was made against P.W.? 14
- 15 A. Because, then, Miss Conley would have been the
- only witness to the alleged incident, because she then also 16 17
- made her supervisor aware that she had witnessed this occurring. So witnesses to this, I guess, would be included 18
- 19 in --
- 20 Q. Okay. You don't know how Miss Saveikis knows that
- 21 Miss Conley was a witness to it.
- 22 A. My guess is when she came in and talked to the
- 23 supervisor, we would be obligated to say that we have a
- 24 witness to this.
- 25 Q. And the supervisor would be Miss Deveney?

Page 75

- 1 P.W., because that's who it was referring to in the first

- 3 A. Um-hum.
- Q. It says, "She did know that Abby was stating that
- she grabbed D.'s face." It seems at this -- at least at
- 6 this point in time that P.W. believed that Miss Conley made
- 7 the allegation to Child Line. That's what I'm gathering
- from looking at all this. Would that be a safe -- do you
- 9 know if that's true?
- 10 A. She may have. She may have thought that. But,
- 11 again, I can only reiterate that that would have never been
- 12 revealed.

13

- Q. Okay.
- 14 A. I mean, I don't know who the referral source was
- 15 on that particular --
- 16 Q. That's my next question. Do you know -
- 17 A. No.
- 18 Q. - as we sit here today who that referral source
- 19 was?
- 20 A. No. I -- I know -- I know that Abby talked with
- 21 her -- you know, with her supervisor about this particular
- incident, so -- you know, so I know Abby was concerned about 22
- 23 this incident. I do not know whether or not Abby was the
- 24 referral source.
- 25 Q. When Miss Saveikis came in -- I think late June to

- Page 77
- A. Yes. Supervisor or she -- because I believe that she also talked to Miss Biroscak, who is the administrator.
- and -- and that. So she -- we would be under obligation --
- that would be like hiding the fact that we knew that there
- 5 was someone who had actually been there.
- 6 Q. I guess Miss Saveikis would know best as to what
 - led her to that investigation in that form, right?
 - A. Yes.

7

8

- 9 Q. Well, let me ask you this: Do you know whether
- Miss Deveney felt that Miss Conley was the one that reported 10
- 11 this to Child Line?
- 12 A. I don't know. And, honestly, if I was hearing
- 13 people speculate to that, I would tell them to stop it.
- Because, you know, there is no way -- again, we're under the 14
- confidentiality law; that there should be -- you know, no 15 16
- way a referral source should be revealed, so don't try to go
- 17 there and figure out who it is. You know?
- 18 Q. So then as a last question on that, you don't know 19 of anyone that was working there in June and July of 2004
- that told you that they suspected that it was Miss Conley 20
- that made that report to Child Line. 22 A. I don't believe anyone -- anyone told me that. I 23 don't believe.
- 24 Q. Okay. Did you hear otherwise; that it was
- 25 suspected that it was Miss Conley, through talk or anything

Page 78 Page 80 in the agency? 1 1 Miss Conley go or reprimands or anything to that effect? A. I believe that because Miss Conley was talking 2 A. Other than the -- the ones I have stated, which 3 about it herself to other people in the agency; that there 3 was just to ask her to stop talking about -then could be -- you know, that there then could be 4 Q. Page 114 Page 116 1 there? 1 question, because at this point you have just put 2 A. I might have said a line or two, but it didn't go 2 facts in that were not in evidence, that have been very far, because then Pete said we need to offer 3 3 denied; that she was the reporter. Are you Miss Conley, you know, Union representation. 4 suggesting --Q. So then Miss Dorich appears. 5 5 MR. ANGELONE: No. No, no. 6 A. Yes. 6 MR. McNAIR: It's in Miss Saveikis' --7 Q. Right? And she was present at that meeting, from 7 MR. JOYAL: Don't even speak. You're not 8 that point on? 8 conducting -9 A. Yes 9 MR. McNAIR: Don't tell me not to speak. 10 Q. And do you recall what specifically was told 10 MR. JOYAL: Do not --Miss Conley and who told her about the reason that they were 11 11 MR. McNAIR: If I want to speak, I'll speak. Why 12 there for that meeting? 12 don't you not speak. Don't speak. 13 A. At that time Attorney Onorato took over the 13 MR. JOYAL: You're not conducting --14 discussion and started with the reason for the termination, 14 MR. McNAIR: Don't speak. 15 which was the breach in the confidentiality on the 15 MR. JOYAL: Mr. Angelone, apparently if you're prognostic detention order and the seriousness of that. 16 referring to the letter and what the report is --16 17 Q. Do you recall, did he actually say "prognostic 17 are you talking -- I'm confused about your 18 detention order"? 18 question, because you said was her allegations, 19 A. Yes. Because what I recall is, is he was 19 you know -concerned that there was someone in the room, Karen Dorich, 20 20 MR. McNAIR: Quiet down for a second. Okay? 21 that did not understand, and he backed up and explained what 21 MR. ANGELONE: Let me explain. I think she 22 a prognostic detention order was so that she would 22 testified that it was reported to her supervisor. 23 understand what he was referring to. 23 MR. JOYAL: Right. But you didn't specify --24 Q. Were there any other reasons given? MR. ANGELONE: That Miss Conley reported the P.W. 24 25 A. That was -- that was basically -- and the use of 25 incident to her supervisor, Miss Deveney. Okay? Page 115 Page 117 the computer to transfer this confidential -- you know, 1 1 A. And you're asking me if that had anything to do 2 confidential information. 2 with the termination? Is that what you're asking me? 3 Q. And why is the use of the computer -- how is that 3 Q. That's my question. 4 a violation of policy? A. Okay. 5 A. There is a computer policy that the County has 5 Q. Did her reporting the P.W. incident to that -- that -- well, first of all, she used the computer to 6 Miss Deveney have anything to do with her termination? do the confidentiality [sic], but also the fact that she 7 A. Absolutely not. I mean, these people that work would be using it to just go back and forth with folks. 8 for the Office of Children and Youth are people that are 9 Q. For personal reasons? required to report if they think they saw anything. We A. It was -- the breach in the computer usage was 10 10 would encourage that. 11 around the confidentiality issue; that she would also use 11 Q. Was there any aspect about Abby Conley's alleged that as a vehicle to transfer confidential issues. I think 12 discussions about the P.W. incident during the months of 12 13 the -- that -- that was absolutely the main issue. The main 13 July or August that were a reason for her termination? issue was the fact that there was this breach of 14 14 A. Those would be considered further breaches of 15 confidentiality that put this child in danger. That was it 15 confidentiality. But the issue at hand was the breach in from the beginning. It continues -- and it continued to be 16 confidentiality around the prognostic detention order. 16 it. It was a very sad situation. It was a very upsetting 17 17 Q. Okay. And that was the reason that was given on 18 situation. 18 that date. Is that - is that right? 19 Q. Did Abby Conley's involvement with the P.W. 19 A. That's what Mr. Onorato - Attorney Onorato, you 20 situation in July and August have anything to do with the 20 know, indicated when he started to talk about it. 21 termination? 21 Q. Okay. Was there any mention about giving out a 22 A. When you say "involvement" --22 telephone number, do you recall, during that discussion: 23 Q. Well, her reporting of the situation of P.W., 23 that giving out a telephone number of an attorney or of a 24 okay, did that have anything to do with the termination? client to a third party was also breached? Do you recall 24 25 MR. JOYAL: Well, I'm going to object to the 25 that?

- A. I don't recall that in the discussion.
- 2 Q. Did --

- 3 A. I was kind of focused on the main reason.
- Q. That is the main reason, from what I'm getting
- 5 from you, right?
 - MR. JOYAL: What is the main reason?
- 7 A. What is the main reason?
- 8 Q. What you just said --
- 9 A. The prognostic.
- 10 Q. The prognostic detention order.
- A. Right. I was focused on that reason, you know, 11
- 12 for my agreement with the termination.
- 13 Q. Okay. Were there any other reasons given at that
- 14 time to Miss Conley, that you recall?
- 15 A. I don't know that we -- we got there. I mean, I
- 16 don't know that there was anything else that was said. I
- think that -- I think we talked -- we talked about that. I 17
- 18 think Miss Conley herself, if I remember correctly, went to
- 19 other types of things that she thought that this might be
- 20 about.
- 21 Q. Okay.
- 22 A. And I think, then, it was reiterated that this, in
- 23 fact, was not about that and was about --
- 24 Q. You were a part of this decision -- you were a
- part of this decision process, right?

8

- A. Okay.
- Q. Was there a resignation letter prepared for
- Miss Conley at the time of that meeting?
- There was not a resignation letter prepared for
- her at the time of the meeting. What happened was, is ${\mathord{\hspace{1pt}\text{--}\hspace{1pt}}}$ 6
- and, again, I'm unclear on this, but in my recollection --
 - Q. Okay.
- 9 A. But it -- the idea of resignation came up at that
- meeting. Allowing her to resign came up at this meeting. 10
- 11 And Mr. -- I want to keep calling him --
- 12 THE WITNESS: I'm sorry, John; I should call you 13
 - Attorney.
- 14 A. Attorney Onorato left the room, then, after
- 15 getting agreement that that would be something that
- Miss Conley and Miss Dorich would consider and went out and
- 17 drew up a letter of resignation, but there was not one that
- 18 was prepared.
- 19 Q. Well, at the meeting, then, she was told pretty
 - much, you have a choice; you can either resign, or you're
- 21 going to be fired. I mean, is that the bottom line of what
- 22 she was told?
- 23 A. I think we were -- you know, I don't know if you
- 24 can call it nicer, but I think we were -- you know, we
- 25 weren't quite that direct.

Page 119

1 A. Yes

4

- 2 Q. Okay. If not for this detention order, would I be
- 3 correct in saying that she may not have been terminated?
 - A. She may not have.
- Q. Okay. If the documents that Attorney Onorato had 5
- 6 at that time -- you said he had some documents at that
- meeting. Is that right?
- 8 A. He had the report that -- you know, that Mike
- 9 Cauley did.
- 10 Q. Those weren't given to Miss Conley to look at. Or
- 11 that report wasn't, right?
- 12 A. No.
- 13 Q. Did she ask for that?
- 14 A. No.
- 15 Q. Do you recall if Miss Dorich asked for that; to
- 16 look at that?
- 17 A. No, I don't believe she did.
- 18 Q. Would there be any reason why that wouldn't -- or
- 19 should not have been given to her at the time of that
- 20
 - A. You know, that, I -- that was a broad-based
- report. And I think, again, trying to focus on the key 22
- 23 issue.

21

- 24 Q. Okay. Do you recall Miss Dorich and Miss Conley
- 25 asking for the weekend -- strike that. Let me take a step

- Page 121 Q. The language might have been different.
- A. Right, um-hum.
- 3 Q. But that's the idea, right?
 - A. Um-hum. Right, um-hum.
 - Q. Do you recall her or Miss Dorich asking for the
- 6 weekend to think about that or maybe to discuss it with
- counsel? 7

1

2

9

14

- 8 A. Yes.
 - Q. Okay. And what was the response?
- 10 A. Attorney Onorato indicated that this was on the
- 11 table for today and that a decision should be made.
- 12 Q. Okay. So the answer was no.
- 13 A. I guess that --
 - Q. Well, I mean, is it? I mean, the option would not
- 15 be open after the weekend? Would that be a correct way of
- 16 saying it?
- 17 A. I think that's what I -- I think that's what I
- 18 would interpret it as. That the day we were talking about
- this, they had but to back up a bit, when the original 19
- 20 letter was prepared by Attorney Onorato and brought back in,
- 21 the only concern that Miss Conley or Mr. Dorich expressed at
- that time was the misspelling of her name. So we had to go 22
- 23 back out.
- 24 So I think in his mind he thought and we all
- 25 thought that there was agreement about the resignation. And

- then when he came back in and they had had the opportunity 1
- to talk, whatever, then put it -- then I think that was when 2
- the -- she asked if -- or Karen asked if there would be time 3
- 4 for the weekend or a consultation or whatever the language
- 5

- 6 Q. Would you agree that she was pretty upset about 7 this; Miss Conley?
- 8 A. I honestly couldn't tell at that meeting, because
- 9 she -- as I recall at the end, there was a whole lot of
- amicability. Her saying now I can run for office, shaking 10
- our hands and leaving. I had no doubt that, you know, 11
- 12 certainly people -- someone would be upset about that. But
- 13 I did not sense that at the meeting.
- 14 Q. At that time, during that meeting, when the 15 allegation about the detention order was brought out, did
- 16 she explain or was she able to explain?
- A. In my recollection, she didn't go there. She 18 went -- that's when she went to other things that she was
- 19 talking about, like, you know, the communication with
- 20 Deanna, the -- I think there was something in a hearing or
- 21 something like that. And we -- we redirected that. That
- 22 was here's the -- here's the --
- 23 Q. Okay. And so the decision to terminate her, if
- 24 I'm correct -- let me ask you this way: Did the decision to
- terminate her have anything to do with her testimony on

- Page 124
- A. And that. So that was -- she was going back into
- the -- you know, those -- that situation. Reported that she
- had consulted with someone in the D.A.'s Office. Whether
- that was about the agency or that particular individual, I
- honestly can't remember.
- 6 Q. Do you remember Miss Dorich at any point during 7
- the meeting asking Mr. Onorato or Mr. Callan whether their 8 statements were in any way inferring the possibility of
- criminal charges against Miss Conley? Do you remember that; 9
- 10 Miss Dorlch asking a question similar to that?
 - A. No, I don't remember Miss Dorich asking that.
- 12 Q. Do you remember Miss Conley asking that question?
- 14 Q. As you mentioned the S.D. situation, okay, my
- question to you is, at the time that you were the director 15 16
- at OCY --17
- A. Um-hum, yes. 18 Q. - what was the policy there with respect to
- changing case summaries prepared by a case aide? 19
- 20 The -- the practice was what it had always been,
- which is that the supervisor reviews all of the documents 21
- 22 prepared to go the court by the caseworker and employees of
- 23 the agency that they are responsible for.
 - O. Right.
 - A. And the case that they are responsible for. And

Page 123

- July 28 at the C. hearing? 1
 - A. Absolutely not.
- 3 Q. Okay. At this meeting on September 10th of 2004,
- 4 was there any mention or insinuation that there might be
- 5 criminal charges brought against Miss Conley if she didn't
- 6 sign the resignation letter?
- A. As I recall, at some point when Miss Conley was
- 8 going -- getting off the focus and into what you just asked
- me, did the testimony at the hearing have any impact, and I
- 10 said, no, absolutely not, when she went into that, she
- indicated that she had gone to a Larry somebody $-\operatorname{I}$ don't 11
- remember the last name -- at the D.A.'s Office to -- and she 12
- 13 intimated to report the S.D. situation.
- 14 At that point in time is when -- well, I quess
- 15 that's -- that's -- I mean, she brought that issue up first.
- 16 That — so — so maybe at that point there was some element
- of her getting a little bit, you know, concerned. She 17
- 18 brought it up that she had gone and consulted the D.A.'s
- 19 Office on the agency or on - or on her supervisor or
- 20 something. And that. So that's how the D.A.'s Office
- originally came up, is via Miss Conley. 21
- 22 Q. What is the S.D. situation?
- 23 A. Well, the situation you referred to in -- where
- 24 you said she testified in a hearing and that.
 - Q. Okay.

- Page 125
- they review it for a number of reasons. Some of it is even
- writing skills and grammatical kinds of things. Others are
- sometimes people go outside of -- I'm giving you examples --
- outside of the scope of their role. Somebody, you know -
- that might make an inference that was outside of their role
- 6 or whatever. And they go over how all of that meshes
 - together.
- 8 And if, in fact, there are changes to be made, the
- normal procedure is that either there would be some kind of 9
- 10 communication back and forth between the individual and the
- supervisor, either -- in this day and age, I suppose it
- 12 could be done via the computer and/or a sit-down and that.
- 13 And if -- and the supervisor may have changes that she's
- 14 requesting be made.
- 15 Q. Is the supervisor the one that makes the changes, 16
- or does is it the normal policy that the supervisor would 17 tell the case aide, for example, you've got to change X, Y,
- 18 and Z? Okay?
- 19 A. Well, she could make the changes and send it back 20 or sit down and talk with the person. I don't -- you know,
- 21 I've never - I don't think in the history of the agency we
- ever prescribed how it -- you know, exactly how it's done 22
- 23 that you can do that. But then you talk with the person.
- 24 If, in fact, the person does not agree and does
 - not want to sign the report, then that could either -- that

      the case aide would review those changes. I mean, it's kind

 13
         A. Well, because she would be -- she or he would be
